Information Bulletin No. NM-2000-005, Change 1

To: DSD's and FOM's

From: Deputy State Director, Support Services

Subject: Sales Policy for the 1:100,000 Surface/Mineral Management Maps

The subject Information Bulletin No. NM-2000-005, is hereby rescinded effective immediately.

Since the issuance of the aforementioned Information Bulletin, we have been informed by the Washington Office that a Bureauwide policy regarding map pricing and quantity discounts to vendors and other Federal, State, and local agencies for 1:100,000 Surface and Mineral Status maps will be issued in the near future.

Although the Department of the Interior, United States Geological Survey (USGS), National Mapping Division, recently announced a price increase for the 1:100,000 maps published by that agency, BLM New Mexico **will not be increasing prices** on 1:100,000 Surface and Mineral Status maps.

In accordance with BLM Manual 1278.6, External Access to BLM Information, any discounts provided to Federal, State, local agencies, and/or vendors should be documented in an assistance agreement.

For current guidance for cost recovery on map sales and other products, please refer to Washington Office Instruction Memorandum No. 99-063, dated February 10, 1999, Cost Recovery Fee Schedule for Public.

Questions pertaining to this Information Bulletin may be directed to Bob Bewley, Team Lead, GeoSciences Team (NM (952)), 505-438-7481. Questions regarding cost recovery may be referred to Eileen G. Vigil, State Records Administrator, at (505) 438-7636.
